Origin of NSS:
The National Service Scheme owes its origin to the philosophy of Mahathma Gandhi, who believed that the first duty of the student was not to treat their period of study as an opportunity for intellectual luxury, but to prepare themselves for final dedication in the service of society. In the post-independence era, the University Grants Commission headed by Dr. S Radha Krishnan recommended for the introduction of National Service Scheme in the academic institutions on a voluntary basis with a view to developing healthy contacts between the students and teachers on the one hand and establishing a constructive linkage between the campus and the community on the other hand.
The National Service Scheme (NSS) was launched on September 24, 1969 in order to promote social consciousness, a sense of responsibility, and a sense of discipline and dignity of labour among college students. The scheme utilizes the leisure time between college studies of students, in various items of social service, which not only helps the community, but also develop the personality of students. The Moto of NSS “Not Me But You,” reflects the essence of democratic living and upholds the need for self-less service. NSS helps the students, develop appreciation to other person’s point of view and also show consideration to other living beings.

National Service Scheme- THE PURPOSE
National Service Scheme is a community service programme sponsored by the Ministry of Human Resource Development, Government of India. This scheme promotes national solidarity. It would be possible to awaken the villagers and slum dwellers to their responsibilities and develop the confidence, to tackle their common problems with energy, enthusiasm and in a co-operative spirit, based on mutual aid and self-reliance. The role of students is limited as activitis, enablers, catalytic agents for liaison with wider communities and as programme aids.

The MOTTO OF NSS:
The motto of the National Service Scheme is “NOT ME BUT YOU.” This expresses the essence of democratic living and upholds the need to appreciate the other man’s point of view first and to show consideration for fellow human beings. It also underlines that the welfare of an individual is ultimately dependent on the welfare of society as a whole. Therefore, the aim of the NSS is to demonstrate this motto in its days to day programme.

NSS SYMBOL:
The symbol of the NSS has been based on the giant Rath Wheel of the world famous Konark Sun Temple (The Black Pagoda) situated in Orissa. The wheel portrays the cycle of creation, preservation and release and signifies the movement in life across time and space, the symbol thus stands for continuity as well as change and implies the continuous striving of NSS for social change.
NSS BADGE:
The NSS Symbol is embossed on the badge. The eight bars in the in the wheel represent the 24 hours of a day. The red colour indicates that the volunteer is full of young blood that is lively, active, energetic and full of high spirit. The navy blue colour indicates the cosmos of which the NSS is a tiny part, ready to contribute its share for the welfare of the mankind at large.
